

Superior
FIREPLACES®
Our name is our promise.

“Impressive” is the only way to describe these massive wood burners. Designed for large custom applications, the VRT6000 Series vent-free gas firebox features a 30” tall opening and beautiful Mosaic Masonry kiln-fired firebrick liners in a variety of designer colors and stacked or herringbone patterns. Combined with vent-free gas logs, the Marquee delivers an authentic masonry look and efficient comfort.

FEATURED VRT6042 with Warm Red Herringbone Mosaic Masonry™ firebrick and Giant Timbers Gas Log Set (sold separately)

EXCLUSIVE FEATURES

- 🔥 Available in 36", 42" and 50" models
- 🔥 30" tall and full brick to-face-design opening on all models.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
