GENERAL INFORMATION

THE FIREPLACE MUST BE OFF AND COLD BEFORE BEGINNING.

READ ALL OF THE STEPS BEFORE STARTING THE INSTALLATION.

PACKAGING LIST

- 1 ea. Complete Log Set
- 1 ea. Installation Instructions

TOOLS/SUPPLIES NEEDED

- Safety Glasses
- Protective Work Gloves
- Heat Resistant Gloves

Installation and service must be performed by a qualified installer, service agency or the gas supplier.

Any safety screen, guard, or barrier removed for servicing an appliance must be replaced prior to operating the heater. The fireplace screen or guard designed for this appliance must be installed prior to operation.

IMPORTANT: Read the owner's manual carefully and completely before trying to assemble, operate or service this fireplace. Improper use of this fireplace can cause serious injury or death from burns, fire, explosion, electrical shock and carbon monoxide poisoning.

THESE LOG PLACEMENT INSTRUCTIONS ARE A SUPPLEMENT TO THE LOG BURNER INSTRUCTIONS. LOG BURNER INSTRUCTIONS MUST BE READ AND FOLLOWED TO THEIR ENTIRETY TO ASSURE SAFE AND PROPER INSTALLATION AND OPERATION. THE LOG BURNER INSTRUCTIONS ARE INCLUDED SEPARATELY INSIDE THE CARTONED LOG BURNER ASSEMBLY.

INSTALLER:

Leave instructions with the appliance.

CONSUMER:

Retain instructions for future reference.

Log sets shall not be used with any other manufacturers log burners.

24" log sets shall only be used with burners	DUALBURNER24N DUALBURNEROD24N DUALBURNER24NE DUALBURNER24PE
--	--

30" log sets shall only be used with burners	DUALBURNER30N DUALBURNEROD30N DUALBURNER30NE DUALBURNER30PE
--	--

36" log sets shall only be used with burners	DUALBURNER36N DUALBURNEROD36N DUALBURNER36NE DUALBURNER36PE
--	--

INSTALLATION OF LOGS ON ANY OTHER BURNER IS STRICKLY PROHIBITED.

If your gas log burner is not listed above, please refer to your owners manual or contact IHP Tech Support/Customer Service for further assistance.

This is a complete Log Set and shall not be used otherwise. This log set shall not be used for replacement of single logs.

It is very important to install these logs exactly as instructed. **DO NOT MODIFY LOGS.**

Failure to position the parts in accordance with these instructions or failure to use only parts specifically approved with this appliance may result in property damage or personal injury.

CAUTION: Burn hazard! Logs will remain hot after use. If you need to reposition any log to maintain the proper layout, use heat resistant gloves or allow logs adequate time to cool before handling.

1. Remove the entire Log Set provided and check for damage. If damaged, STOP!!! Contact dealer or IHP.
2. If you currently have a log set installed: Remove the entire Log Set that is currently installed on your Gas Log Burner and discard entire set.
3. Follow the steps found beginning on the next page for installation of your new complete Log Set.
