

STARLITE

VENT-FREE GAS FIREBOXES OUTDOOR

astria
FIREPLACES®

The **StarLite** outdoor vent-free firebox offers a contemporary stainless steel appearance that is as durable as it is attractive. The firebox's refractory panels are molded from actual hand-cut firebrick in a traditional stacked or herringbone pattern. Combine with a variety of vent-free gas logs for a beautiful customized fireplace that will provide years of carefree outdoor living enjoyment.

STANDARD FEATURES

- ◆ Available in 36" and 42" radiant smooth faced models
- ◆ 28" tall and full width refractory opening on all models
- ◆ Realistic refractory liner available in stacked or herringbone pattern
- ◆ Durable 304-stainless steel on front face, and all surfaces exposed to weather
- ◆ Robust stainless steel fire screens maintain their beauty over time
- ◆ Select from a variety of compatible vent-free log sets and controls (sold separately)
- ◆ Optional brushed stainless hood available for reduced mantel clearances
- ◆ Optional drain pan and outside air kit are available
- ◆ Limited Lifetime Warranty

Compatible with any listed ANSI Z21.97 outdoor vent-free log set. Also approved for indoor use with any listed ANSI Z21.11.2 vent-free log set. Choose an Astria vent-free log set for best results.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
