

**WINSLOW PI40GL**

## OVERVIEW

- Large, heavy-duty welded steel heat exchanger provides efficient heat transfer and maximum durability.
- Smart Heat™ technology delivers the ultimate in precision heating and comfort control.
- Large and easy-to-load hopper holds up to 55 lbs., requiring less loading and ensuring longer burn times.
- Innovative self-ignition system delivers hassle-free automatic starts and works with a thermostat for easy operation.
- Durable, cast-iron burn pot, with airburst feature, self-cleans for less maintenance and trouble-free starts.
- Sealed blower and auger assembly ensures quiet operation and never need to be greased.
- Unique air wash creates less maintenance and a clear view of the fire.
- Choose from several sizes of surround panel kits to match your opening size (1-required).
- Multiple door trims and grill finishes add to the attractive finished look. (1ea-required).
- Optional log set and brick panel provide realism & design opportunities.
- Several optional thermostat and on-off remote control kits are available.
- Limited lifetime warranty.
