## LINER

Black Painted Interior

Buff Stacked  
Ceramic Fiber Liner

## CONTROL

Optional Touch Remote

## APPLIANCE SPECIFICATIONS

\*This dimension can be reduced to 41" (1042 mm). This results in 0" (0 mm) clearance between framing and unit framing spacers (The 41-1/2" dimension permits easier fireplace installation, if unit is installed after framing is erected).

\*\* Based on 5/8" drywall. Use 23" for 1/2" drywall.

### IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
