

VRE6000 SERIES

OUTDOOR: VENT-FREE GAS FIREBOXES

FEATURES

- Available in 36", 42" and 50" models
- 30" tall, full brick to-face-design opening on all models.
- Fully insulated firebox for increased performance in colder climates
- Mosaic Masonry Firebrick available in a variety of patterns and colors with integrated ash lip (one required)
- Durable 304-stainless steel on front face, and all surfaces exposed to weather.
- Includes stainless steel mesh fire screens
- Select from a variety of compatible vent-free log sets and controls (sold separately)
- Easy-access gas line knockouts on both sides for quick and simple installation.
- 20 Year Limited Warranty

Compatible with any listed ANSI Z21.11.2 vent-free gas log set. Choose a Superior vent-free gas log set for best results.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale — consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
